After starting the **Student** application, the panel with tabs will occur:

The following modules are on the **Start** tab:

- [Summary](#) – contains a summary of information about the student, courses, payments, messages
- [Messages](#) – all messages generated by Dean's offices appear here
- [My timetable](#) – allows you to read the timetable
- [Find timetable](#) – allows you to view the timetable for any course
- [Find teacher](#) – allows you to get acquainted with the plan of any academic teacher
- [Surveys](#) – a mechanism enabling anonymous evaluation of lecturers and material presented in lectures

Detailed operation of individual modules can be checked by selecting the appropriate part of the manual from the menu.
